Re: Interconnection Agreement with Digital Phone Company Limited

To: The President  
The Stock Exchange of Thailand

On July 16, 2007, Total Access Communication (DTAC) signed a bilateral interconnection agreement with Digital Phone Company Limited (DPC). The rates agreed are 1 baht for termination and 0.50 baht for transit. Rates are excluding VAT and in accordance with the Reference Interconnection Offer (RIO), which the NTC approved on August 24, 2006.

DTAC has already signed bilateral interconnection agreements with TrueMove on November 17, 2006, AIS on November 30, 2006, and Triple T Broadband on December 22, 2006.

Please be informed accordingly.

Yours faithfully,

Mrs. Netima Urthamapimuk
